Firebase, Node.js, MongoDB

WORK EXPERIENCE

IBM Gen AI at IBM

05/2025 - 07/2025

- Developed and deployed AI-driven applications enhancing user engagement.
- Implemented best coding practices to improve code efficiency and maintainability.
- Supported troubleshooting and debugging processes for AI solutions.

Google Maps Platform at Devpost

- Collaborated with a team to develop an android application, integrated the Google Maps API for a women's safety platform.
- Used Google Maps API tools like Directions API and Places API.
- Engineered the application to calculate safe routes using crowd-sourced data and implemented an instant emergency response system.
- Delivered a functional prototype under a tight deadline, showcasing teamwork and expertise in Android development with a focus on user safety.

Author for a Book Chapter Writing

IGI

- Wrote a book chapter titled "Transforming the financial market using AI generated personalized content".
- Published in the book "Intersecting Natural Language Processing and

PROJECTS

WellBeing+ [🔗](#)

REACT NATIVE, FIREBASE

- Developed a mobile application that offers AI-guided yoga posture correction, on-demand AI therapy sessions, and personalized music therapy to support emotional health.

SafeRoute [🔗](#)

REACT NATIVE, FIREBASE, GOOGLE MAPS API

- SafeRoute is designed to provide a safe and secure commuting experience for women by utilizing crowd-sourced data, real-time alerts, and emergency response features. This application enables users to find safe routes based on community reviews and access immediate assistance in distressing situations

Engram [🔗](#)

React.js, MongoDB, Machine Learning, NLP, LLMS, Python

- Engram is a personalized AI-powered chat application that reflects your personality by analyzing diary entries.

Personal Portfolio [🔗](#)

React.js, Three.js

My personal portfolio website showcasing my technical projects and professional experience, featuring interactive project demos and streamlined contact integration.

EDUCATION

Bachelor of Technology

VELLORE INSTITUTE OF TECHNOLOGY- BHOPAL

2023 - Present
Kothri Kalan, MP

- **College CGPA:** 8.60

High Schooling

WELSPUN VIDYA MANDIR

2014 - 2023
Anjar, Gujarat

- **10th Grade:** 91%
- **12th Grade:** 82%

COURSES

Bits and Bytes of Computer Networking

Coursera
